

## Nozzle & Filter Chart

	<b>Ecoline+</b> (Ready-to-use)	<b>Extreme (10:1)</b> (Concentrate)	<b>Clubline (7:1)</b> (Concentrate)	<b>Direct</b> (Ready-to-use)	<b>AGP</b> (Ready-to-use)
	 1.5 litres/pitch				
	 3 litres/pitch				
		 1.5 litres/pitch	 2.5 litres/pitch	 5.5 litres/pitch	
		 2 litres/pitch	 3 litres/pitch	 7 litres/pitch	 700 linear m/10ltr
					
					

APPROXIMATE guide only when using products through Eco spray line markers and at recommended mixing ratios (if applicable). Flow rates vary through other machines. Please ensure the machine is cleaned out thoroughly after every use, and the nozzles and filters are always placed in soak after use with EcoClean.
